

## RULES FOR TRADERS

- The current „traders supervisor“ is one of the organizers, who is entitled to answer the questions and solve the problems related to the trading sites.
- Organisations ensure the tables and chairs.
- If the trader needs any other service (e.g. water, electricity, ect.) please ask the organizers at least 2 weeks before the event, using one of the connection E-mail addresses.
- In this year organizers can not ensure cover for the tables, because it's prohibited by the fire department.
- The traders have to accept the law of trading of Hungary (invoice).
- The organizers can not take responsibility for the origin of the goods of traders.
- The organizers reserve the right to assign the traders sites.
- The organizers can not take responsibility for any valuables.
- Mongering of any prohibited emblems (e.g. swastika) is prohibited.
- Mongering of copies of copyrighted goods is also prohibited.
- Holding or mongering of any kind of guns, knives, cold steels or explosives is also prohibited.
- Traders who brake the rules of trading will have to suspend trading immediately.

We wish you great deals and have a good time!
